Subject: Bachman Services Chemical Fire [ER in Oklahoma City]
Date: 08/17/2012 01:31 PM

Ken,

I really appreciate you taking the time to review the sample data on such short notice. Since the site was an ER, things are moving quickly and the fast turn around is appreciated. Hope to remove the dams this week [water flows into the Oklahoma River which runs through town] if all goes well.

If you need more information, the site is on the OSC website:

www.epaossc.org/BachmanServicesFire

Thanks.
